Washington, D.C. 20231

Date: October 3, 2002

Sir:

This petition is being made in reply to the Notice of Abandonment dated August 30, 2002 (a copy is enclosed). The Notice states that the application is abandoned for failure to reply to the Office letter mailed April 26, 2002. Applicants have not received said Office letter.

Attached is the original error report. This is a new process for all of us and we'll get it figured out eventually.

Thank you very much for your assistance and you should have access to your files in PAIR by the beginning of next week.

Thanks again,
Stacy

Subject: Error Report for Customer Number 04372

I have received your spreadsheet to associate your applications/patents with your customer number, and there are just a few more questions. There are a few files that are currently going to a different address for correspondence and we just have to do a little preventative maintenance to be absolutely sure that you do, in fact, want to update these files to your customer number.

Please take a look at the attached spreadsheet, which lists the "questionable" applications. Once you have verified whether or not you wish to associate these applications/patents with your customer number, please mark them as such on the attached spreadsheet (i.e., yes/no) and email it back to me, or simply email me the list of applications/patents that you DO NOT wish to be associated with your customer number. Please DO NOT delete any applications from the spreadsheet.

If there are NO changes to be made, you can just email me back to let me know that it is ok to associated all files with your customer number.
